

Rihanna

Umbrella

Uh, huh, uh, huh (yeah, Rihanna)
Uh, huh, uh, huh (good girl gone bad)
Uh, huh, uh, huh (take three, action)
Uh, huh, uh, huh (Hov)

No clouds in my stones
Let it rain, I hydroplane in the bank (eh, eh, eh)
Coming down with the Dow Jones
When the clouds come, we gone, we Roc-A-Fella (eh, eh, eh, eh)
We fly higher than weather, in G5's or better
You know me
In anticipation for precipitation stack chips for the rainy day (eh, eh, eh)
Jay, Rain Man is back (eh, eh, eh)
With little Ms. Sunshine, Rihanna, where you at?

You have my heart
And we'll never be worlds apart
May be in magazines
But you'll still be my star
Baby, 'cause in the dark
You can't see shiny cars
And that's when you need me there
With you I'll always share

Because
When the Sun shine, we shine together
Told you I'll be here forever
Said I'll always be your friend
Took an oath, I'ma stick it out to the end
Now that it's raining more than ever
Know that we'll still have each other
You can stand under my umbrella
You can stand under my umbrella

Ella, ella, eh, eh, eh
Under my umbrella
Ella, ella, eh, eh, eh
Under my umbrella
Ella, ella, eh, eh, eh
Under my umbrella
Ella, ella, eh, eh, eh, eh, eh, eh

These fancy things

Will never come in between
You're part of my entity
Here for infinity
When the war has took its part
When the world has dealt its cards
If the hand is hard
Together we'll mend your heart

Because
When the Sun shine, we shine together
Told you I'll be here forever
Said I'll always be your friend
Took an oath, I'ma stick it out to the end
Now that it's raining more than ever
Know that we'll still have each other
You can stand under my umbrella
You can stand under my umbrella

Ella, ella, eh, eh, eh
Under my umbrella
Ella, ella, eh, eh, eh
Under my umbrella
Ella, ella, eh, eh, eh
Under my umbrella
Ella, ella, eh, eh, eh, eh, eh, eh

You can run into my arms
It's okay, don't be alarmed
Come into me
There's no distance in between our love
So go on and let the rain pour
I'll be all you need and more, oh

Because
When the Sun shine, we shine together
Told you I'll be here forever
Said I'll always be your friend
Took an oath, I'ma stick it out to the end
Now that it's raining more than ever
Know that we'll still have each other
You can stand under my umbrella
You can stand under my umbrella

Ella, ella, eh, eh, eh
Under my umbrella
Ella, ella, eh, eh, eh
Under my umbrella
Ella, ella, eh, eh, eh

Under my umbrella
Ella, ella, eh, eh, eh, eh, eh

It's rainin', rainin'
Ooh, baby, it's rainin', rainin'
Baby, come here to me
Come into me
It's rainin', rainin'
Ooh, baby, it's rainin', rainin'
You can always come into me
Come into me
It's pourin' rain
It's pourin' rain
Come here to me
Come into me

Diamonds

Shine bright like a diamond
Shine bright like a diamond

Find light in the beautiful sea
I choose to be happy
You and I, you and I
We're like diamonds in the sky

You're a shooting star, I see
A vision of ecstasy
When you hold me, I'm alive
We're like diamonds in the sky

I knew that we'd become one right away
Oh, right away
At first sight, I felt the energy of Sun rays
I saw the life inside your eyes

So shine bright
Tonight
You and I
We're beautiful like diamonds in the sky
Eye to eye
So alive
We're beautiful like diamonds in the sky

Shine bright like a diamond
Shine bright like a diamond
Shining bright like a diamond
We're beautiful like diamonds in the sky

Shine bright like a diamond
Shine bright like a diamond
Shine bright like a diamond
We're beautiful like diamonds in the sky

Palms rise to the universe
As we Moonshine and molly
Feel the warmth, we'll never die
We're like diamonds in the sky

You're a shooting star, I see
A vision of ecstasy
When you hold me, I'm alive
We're like diamonds in the sky

At first sight, I felt the energy of Sun rays
I saw the life inside your eyes

So shine bright
Tonight
You and I
We're beautiful like diamonds in the sky
Eye to eye
So alive
We're beautiful like diamonds in the sky

Shine bright like a diamond
Shine bright like a diamond
Shine bright like a diamond
We're beautiful like diamonds in the sky

Shine bright like a diamond
Shine bright like a diamond
Shine bright like a diamond
We're beautiful like diamonds in the sky

Shine bright like a diamond
Shine bright like a diamond
Shine bright like a diamond

So shine bright
Tonight
You and I
We're beautiful like diamonds in the sky
Eye to eye
So alive
We're beautiful like diamonds in the sky

Shine bright like a diamond
Shine bright like a diamond
Shine bright like a diamond
Oh, yeah!

Shine bright like a diamond
Shine bright like a diamond
Shine bright like a diamond
Shine bright like a diamond

Stay

All along it was a fever
A cold sweat hot-headed believer
I threw my hands in the air and said: Show me something
He said: If you dare, come a little closer

Round and around and around and around we go
Oh, now tell me now, tell me now, tell me now, you know

Not really sure how to feel about it
Something in the way you move
Makes me feel like I can't live without you

It takes me all the way
I want you to stay

It's not much of a life you're living
It's not just something you take, it's given
Round and around and around and around we go
Oh, now tell me now, tell me now, tell me now, you know

Not really sure how to feel about it
Something in the way you move
Makes me feel like I can't live without you
It takes me all the way
I want you to stay

Oh, the reason I hold on
Oh, 'cause I need this hole gone
Funny you're the broken one
But I'm the only one who needed saving
'Cause when you never see the light
It's hard to know which one of us is caving

Not really sure how to feel about it
Something in the way you move
Makes me feel like I can't live without you
It takes me all the way
I want you to stay, stay
I want you to stay, oh

Only girl

La-la-la-la
La-la-la-la
La-la-la-la (uh, yeah)
La-la-la-la

I want you to love me, like I'm a hot ride
Keep thinkin' of me, doin' what you like
So boy, forget about the world 'cause it's gon' be me and you tonight
I wanna make you beg for it, then I'ma make you swallow your pride

Want you to make me feel like I'm the only girl in the world
Like I'm the only one that you'll ever love
Like I'm the only one who knows your heart
Only girl in the world
Like I'm the only one that's in command
'Cause I'm the only one who understands how to make you feel like a man

Want you to make me feel like I'm the only girl in the world

Like I'm the only one that you'll ever love
Like I'm the only one who knows your heart
Only one

Want you to take it like a thief in the night
Hold me like a pillow, make me feel right
Baby I'll tell you all my secrets that I'm keepin', you can come inside
And when you enter, you ain't leavin', be my prisoner for the night

Want you to make me feel like I'm the only girl in the world
Like I'm the only one that you'll ever love
Like I'm the only one who knows your heart
Only girl in the world
Like I'm the only one that's in command
'Cause I'm the only one who understands
Like I'm the only one who knows your heart
Only one

Take me for a ride, ride
Oh, baby, take me high, high
Let me make you rise, rise
Oh, make it last all night, night
Take me for a ride, ride
Oh, baby, take me high, high
Let me make you rise, rise
Make it last all night

Want you to make me feel like I'm the only girl in the world
Like I'm the only one that you'll ever love
Like I'm the only one who knows your heart
Only girl in the world
Like I'm the only one that's in command
'Cause I'm the only one who understands how to make you feel like a man
Only girl in the world
Girl in the world
Only girl in the world
Girl in the world

Love On The Brain

And you got me like, oh
What you want from me? (What you want from me?)
And I tried to buy your pretty heart
But the price too high

Baby, you got me like, oh, mmm
You love when I fall apart (fall apart)
So you can put me together

And throw me against the wall

Baby, you got me like, I

Woo, I

Don't you stop loving me (loving me)

Don't quit loving me (loving me)

Just start loving me, ooh (loving me)

And, babe

I'm fist-fighting with fire

Just to get close to you

Can we burn something, babe?

And I'd run for miles just to get a taste

Must be love on the brain

That's got me feeling this way (feeling this way)

It beats me black and blue, but it fucks me so good

And I can't get enough

Must be love on the brain, yeah

And it keeps cursing my name (cursing my name)

No matter what I do, I'm no good without you

And I can't get enough

Must be love on the brain

Baby, keep loving me

Just love me, yeah

Just love me

All you need to do is love me, yeah

Got me like, oh-oh-oh-ow

I'm tired of being played like a violin

What do I gotta do to get in

Your motherfucking heart?

Baby, like, I

Woo, I

Don't you stop loving me (loving me)

Don't quit loving me (loving me)

Just start loving me, ooh (loving me)

And, babe

I'm fist-fighting with fire

Just to get close to you

Can we burn something, babe?

And I'd run for miles just to get a taste

Must be love on the brain

That's got me feeling this way (feeling this way)

It beats me black and blue, but it fucks me so good
And I can't get enough
Must be love on the brain, yeah
And it keeps cursing my name (cursing my name)
No matter what I do, I'm no good without you
And I can't get enough
Must be love on the brain

Work (feat. Drake)

Work, work, work, work, work, work
He said me haffi work, work, work, work, work
He see me do mi dirt, dirt, dirt, dirt, dirt, dirt
Ah so me put in work, work, work, work, work, work
When you ah guh learn, learn, learn, learn, learn, learn?
Me nuh cyar if him hurt, hurt, hurt, hurt, hurting

Dry, me ah desert him
Nuh time to have you lurking
Him ah go act like he nuh like it
You know I dealt with you the nicest
Nuh body touch me, you nuh righteous
Nuh badda text me in a crisis
I believed all of ya dreams, adoration
You took my heart, and my keys, and my patience
You took my heart on my sleeve for decoration
You mistaken my love I brought for you for foundation

All that I wanted from you was to give me
Something that I never had
Something that you've never seen
Something that you've never been, mm
But I wake up and act like nothing's wrong

Just get ready fi work, work, work, work, work, work
He said me haffi work, work, work, work, work, work
He see me do mi dirt, dirt, dirt, dirt, dirt, dirt
Ah so me put in work, work, work, work, work, work
Ner, ner, ner, ner, ner, ner
When you ah guh learn, learn, learn, learn, learn, learn?
Before the tables turn, turn, turn, turn, turn, turn

Beg you something, please
Baby, don't you leave
Don't leave me stuck here in the streets, uh-huh
If I get another chance to
I will never, no, never neglect you

I mean, who am I to hold your past against you?
I just hope that it gets to you
I hope that you see this through
I hope that you see this true

What can I say?
Please recognize I'm trying, babe

I haffi to work, work, work, work, work, work
He said me haffi work, work, work, work, work, work
He see me do mi dirt, dirt, dirt, dirt, dirt, dirt
So me put in work, work, work, work, work, work
When you ah guh learn, learn, learn, learn, learn?
Me nuh cyar if him hurt, hurt, hurt, hurt, hurting

Yeah, okay
You need to get done, done, done, done at work, come over
We just need to slow the motion
Don't give that away to no one
Long distance, I need you (ah-ooh)
When I see potential, I just gotta see it through
If you had a twin, I would still choose you
I don't wanna rush into it if it's too soon
But I know you need to get done, done, done, done if you come over
Sorry if I'm way less friendly
I got niggas tryna end me, oh (yeah)
I spilled all my emotions tonight, I'm sorry
Rollin', rollin', rollin', rollin', rollin'
How many more shots until you're rollin'?
We just need a face to face
You could pick the time and the place
You spent some time away
Now you need to forward

And give me all the work, work, work, work, work, work
He said me haffi work, work, work, work, work, work
He see me do mi dirt, dirt, dirt, dirt, dirt, dirt
So me put in work, work, work, work, work, work
When you ah guh learn, learn, learn, learn, learn?
Me nuh cyar if him hurt, hurt, hurt, hurt, hurting

Mm
Mm
Work, work, work, work, work, work
Mm
Mm

Needed Me

I was good on my own, that's the way it was
That's the way it was
You was good on the low for a faded fuck
On some faded love
Shit, what the fuck you complainin' for?
Feelin' jaded, huh?
Used to trip off that shit I was kickin' to you
Had some fun on the run though, I'll give it to you

But, baby, don't get it twisted
You was just another nigga on the hit list
Tryna fix your inner issues with a bad bitch
Didn't they tell you that I was a savage?
Fuck ya white horse and ya carriage
Bet you never could imagine
Never told you you could have it

You needed me
Ooh
You needed me
To feel a little more
And give a little less
Know you hate to confess
But, baby, ooh
You needed me

You been rollin' around, shit, I'm rollin' up
Light and roll it up
Break it down, like a pound, shit was never us
Shit was never us
That's the real on the real, are you serious?
How you feel? How you feel?
Used to trip off that shit I was kickin' to ya
Had some fun on the run though, I'll give it to ya

But, baby, don't get it twisted (don't get it)
You was just another nigga on the hit list
Tryna fix your inner issues with a bad bitch
Didn't they tell you that I was a savage? (Ooh)
Fuck ya white horse and ya carriage (yeah)
Bet you never could imagine
Never told you you could have it

You needed me
Ooh (ooh)
You needed me (you needed me)
To feel a little more

And give a little less (oh)
Know you hate to confess (yeah)
But, baby, ooh
You needed me (ooh)

Loveeeeeeee Song (feat. Future)

Ain't nothin' wrong with it

I don't wanna give you the wrong impression
I need love and affection
And I hope I'm not sounding too desperate
I need love and affection
Love (oh, oh, oh, oh), love (oh, oh, oh, oh), love (oh, oh, oh, oh)
Love and affection
Love (oh, oh, oh, oh), love (oh, oh, oh, oh)
L-O-V-E-E-E and affection

Oh, baby, I'm not asking for the world, maybe
You can give me what I want, baby
Come hold me tight and, when I'm drowning, save me
Give it to me on a daily

If I'm your girl, say my name boy
Let me know I'm in control
We both grown, so how we feel we can let it show
(I-I-I) won't play around
(I-I-I) I wanna lay you down
(I-I-I) I need you now, I need you now
Oh, oh

I don't wanna give you the wrong impression
I need love and affection
And I hope I'm not sounding too desperate
I need love and affection
Love (oh, oh, oh, oh), love (oh, oh, oh, oh), love (oh, oh, oh, oh)
Love and affection
Love (oh, oh, oh, oh), love (oh, oh, oh, oh)
L-O-V-E-E-E and affection

Boy, lately, you've been stingy with your time
Got me wondering, I'm wondering if I'm on your mind
Boy, I just wanna be in your possession
You say I'm the one you want, so come express it

Don't slip, don't slip
'Cause a nigga might push upon it
Don't really wanna lose this moment

Why window shop when you own this?
(I-I-I) don't put it down
(I-I-I) don't fuck around
(I-I-I) I want you now, I want you now
Oh-oh-oh-oh-oh, oh-oh

I don't wanna give you the wrong impression
I need love and affection
And I hope I'm not sounding too desperate
I need love and affection
Love (oh, oh, oh, oh), love (oh, oh, oh, oh), love (oh, oh, oh, oh)
Love and affection
Love (oh, oh, oh, oh), love (oh, oh, oh, oh)
L-O-V-E-E-E and affection

Can you love me for poor? (Let me know)
I'm searching for my soul (rockstar)
Who ever turned you cold? (Because)
You need to let him know (yeah, yeah)
I can work miracles
I'll work your physical (physical) (turned up)
And when I love you close
You can feel my heart beating through my clothes (oh, woah)
Future

I don't wanna give you the wrong impression
I need love and affection
And I hope I'm not sounding too desperate
I need love and affection
Love (oh, oh, oh, oh), love (oh, oh, oh, oh), love (oh, oh, oh, oh)
Love and affection
Love (oh, oh, oh, oh), love (oh, oh, oh, oh)
L-O-V-E-E-E and affection

What's My Name? (feat. Drake)

Oh-na-na, what's my name?
Oh-na-na, what's my name?

Oh-na-na, what's my name?
Oh-na-na, what's my name?
Oh-na-na, what's my name? (Uh)
What's my name? What's my name? (Yeah)

I heard you good, with them soft lips
Yeah, you know, word of mouth
The square root of sixty-nine is eight some', right?
'Cause I've been tryna work it out, oh

Good weed, white wine, uh
I come alive in the nighttime, yeah
Okay, away we go
Only thing we have on is the radio, oh, let it play
Say you gotta leave, but I know you wanna stay
You just waitin' on the traffic jam to finish, girl
The things that we could do in twenty minutes, girl
Say my name, say my name, wear it out
It's gettin' hot, crack a window, air it out
I can get you through a mighty long day
Soon as you go, the text that I write is gon' say

Oh-na-na, what's my name?
Oh-na-na, what's my name?
Oh-na-na, what's my name?
What's my name? What's my name?

Not everybody
Knows how to work my body
Knows how to make me want it
But, boy, you stay up on it
You got that something
That keeps me so off balance
Baby, you're a challenge
Let's explore your talent

Hey, boy, I really wanna see if you can go downtown with a girl like me
Hey, boy, I really wanna be with you
'Cause you just my type
Ooh-na-na-na-na
I need a boy to take it over
Looking for a guy to put in work, uh
Oh-ooh-oh-oh-oh
Oh-ooh-oh-oh-oh

Hey, boy, I really wanna see if you can go downtown with a girl like me
Hey, boy, I really wanna be with you
'Cause you just my type
Ooh-na-na-na-na
I need a boy to take it over
Looking for a guy to put in work, uh
Oh-ooh-oh-oh-oh
Oh-ooh-oh-oh-oh

Oh-na-na, what's my name?
Oh-na-na, what's my name?
Oh-na-na, what's my name?
What's my name? What's my name?

Baby, you got me
And ain't nowhere that I'd be
Than with your arms around me
Back and forth, you rock me, yeah
So I surrender
To every word you whisper
Every door you enter, I
Will let you in

Hey, boy, I really wanna see if you can go downtown with a girl like me
Hey, boy, I really wanna be with you
'Cause you just my type
Ooh-na-na-na-na
I need a boy to take it over
Looking for a guy to put in work, uh
Oh-ooh-oh-oh-oh
Oh-ooh-oh-oh-oh

You so amazing
You took the time to figure me out
That's why you take me
Way past the point of turning me on
You 'bout to break me
I swear you got me losing my mind

Oh-na-na, what's my name?
Oh-na-na, what's my name?

Oh-na-na, what's my name?
Oh-na-na, what's my name?
Oh-na-na, what's my name?
What's my name? What's my name?

Hey, boy, I really wanna see if you can go downtown with a girl like me
Hey, boy, I really wanna be with you
'Cause you just my type
Ooh-na-na-na-na
I need a boy to take it over
Looking for a guy to put in work, uh
Oh-ooh-oh-oh-oh
Oh-ooh-oh-oh-oh

Hey, boy, I really wanna see if you can go downtown with a girl like me
Hey, boy, I really wanna be with you
'Cause you just my type
Ooh-na-na-na-na
I need a boy to take it over

Looking for a guy to put in work, uh
Oh-ooh-oh-oh-oh
Oh-ooh-oh-oh-oh

Is This Love?

I wanna love you
And treat you right
I wanna love you
Every day and every night

We'll be together
With a roof right over our heads
We'll share the shelter
Of my single bed

We'll share the same room, yeah
For Jah provide the bread

Is this love? Is this love? Is this love?
Is this love that I'm feeling?
Is this love? Is this love? Is this love?
Is this love that I'm feeling?

I wanna know, wanna know, wanna know now
I got to know, got to know, got to know now
I, I'm willing and able (I)
So I (I) throw my cards on your table

I wanna love you, I wanna love and treat
Love and treat you right
I wanna love you
Every day and every night

We'll be together, yeah
With a roof right over our heads
We'll share the shelter, yeah, oh, yeah
Of my single bed

We'll share the same room, yeah
For Jah provides the bread

Is this love? Is this love? Is this love?
Is this love that I'm feeling?
Is this love? Is this love? Is this love?
Is this love that I'm feeling? Oh

Oh, yes, I know, yes, I know, yes, I know now
Oh, yes, I know, yes, I know, yes, I know now
I, I'm willing and able (I)
So I (I) throw my cards on your table

See
I wanna love you, I wanna love and treat you
Love and treat you right
I wanna love you
Every day and every night

We'll be together
With a roof right over our heads
We'll share the shelter
Of my single bed

We'll share the same room, yeah
Jah provides the bread

We'll share the shelter
Of my single bed

Could You Be Loved?

Could you be loved?
And be loved
Could you be loved?
And be loved

Don't let them fool ya
Or even try to school ya
Oh, no
We've got a mind of our own
So go to hell if what you're thinking isn't right

Love would never leave us alone
Ah, in the darkness, there must come out to light

Could you be loved?
And be loved
Could you be loved? Oh, yeah
And be loved

The road of life is rocky
And you may stumble too
So while you point your fingers, someone else is judging you

Could you be, could you be, could you be loved?
Could you be, could you be loved?
Could you be, could you be, could you be loved?
Could you be, could you be loved?

Don't let them change ya, oh
Or even rearrange ya
Oh, no
We've got a life to live (oh, oh, oh)
They say: Only, only
Only the fittest of the fittest shall survive
Stay alive, eh

Could you be loved?
And be loved
Could you be loved? Oh, yeah
And be loved

Rude walk through the darkness
And see the greater light
Could you be loved? Could you be loved?
Could you be, could you be, could you be loved?

Let the light be your guide and things gon' be alright
Could you be loved? Could you be loved?
Could you be, could you be, could you be loved?

Don't let them change ya, oh
Or even rearrange ya
Oh, no
Get up, get up, get up, get up
Get up, get up, get up, get up, get up
Get up, get up, get up, get up now, yeah

We've been, we've been
I said, down too long
Get up, get up, get up now
Get up now, up, yeah

Could you be loved?
And be loved
Could you be loved? Oh, yeah
And be loved

You ain't gon' miss your water
Until your well runs dry
No matter how you treat him, the man will never be satisfied

Could you be, could you be, could you be loved?
Could you be, could you be loved? (Say something)
Could you be, could you be, could you be loved? (Say something)
Could you be, could you be loved? (Say something)

(Say something)
(Say something)
(Say something)
(Say something)
(Say something)

(Say something) reggae, reggae
(Say something) Rasta, Rasta
(Say something) reggae, reggae
(Say something) Rasta, Rasta

(Say something)
(Say something)
